INTERNSHIP EXPERIENCE

Web Development Intern, Codebind Technologies, Chennai *May 2025 - Jun 2025*
- Developed responsive, cross-browser compatible web pages using HTML5, CSS3, JavaScript, and MySQL.
- Collaborated with the development team in an agile environment to build and improve frontend features and UI components.
- Optimised website performance, responsiveness, and cross-device compatibility, improving overall user experience.
- Debugged and resolved UI issues; used Git/GitHub for version control and team collaboration.

Web Development Intern, Rhino Groups, Chennai *Aug 2026 - Oct 2026*
- Developed and customized responsive e-commerce websites using WordPress and WooCommerce with a focus on UI/UX.
- Added and organized product data including images, descriptions, pricing, and categories with strong accuracy.
- Built and configured navigation menus and category dropdowns to improve website usability and user flow.
- Customized website layouts, navbar styling, typography, and responsive design for consistent cross-device experience.

PROJECTS

Personal Portfolio - raashith.vercel.app
- Built a responsive personal portfolio using React.js and component-based architecture to showcase skills and projects.
- Implemented smooth animations and transitions using JavaScript and CSS3 to enhance UI/UX and user engagement.
- Optimised layout and performance for seamless, cross-browser compatible viewing across mobile, tablet, and desktop.

Nila Physio Website - nilaphysio.com
- Developed a responsive physiotherapy website using HTML5, CSS3, and JavaScript to present treatment and clinic details.
- Built appointment and contact UI sections to help patients easily reach out and book visits.
- Ensured cross-device compatibility and fast load times through frontend performance optimization.

Haircraft Salon Website - haircraft-website.vercel.app
- Designed and built a modern, responsive salon booking website covering services, pricing, and contact details.
- Implemented an appointment booking flow along with a clear, user-friendly services and pricing showcase.
- Focused on responsive layout, styling, and navigation to deliver an intuitive customer experience.
